

# FAMILY INFORMATION

Every year Sabot at Stony Point publishes a Directory of Families that contains contact information to be used by other school families, faculty and staff. In our ongoing effort to reduce paper use, our directory is available online at [www.sabotatstonypoint.org](http://www.sabotatstonypoint.org). It is password-protected and only accessible to Sabot at Stony Point families. It is our intention to rely heavily on email and our website for school communications, so please be sure to include the email address you wish to use for correspondence with faculty, staff and other Sabot at Stony Point families. *It is the parent/guardian's responsibility to communicate any changes in this information to the school office.*
